

# Faltanleitung Shibori

DE

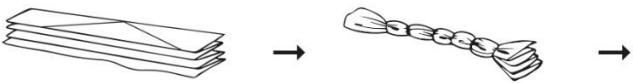

**Quadrate:**

Stoff wie eine Ziehharmonika falten: Zuerst in die eine, dann in die andere Richtung. Stoffpäckchen zwischen zwei quadratische Plättchen (z. B. Holz, stabiler Karton) legen, abbinden und einfarbig besprühen.

**Streifen:**

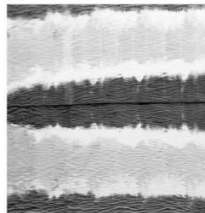

Stoff diagonal legen, wie eine Ziehharmonika falten, mehrfach abbinden und mit verschiedenen Farben besprühen.

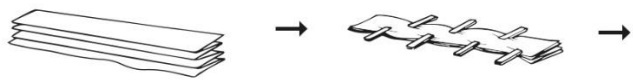

**Feine Wellen:**

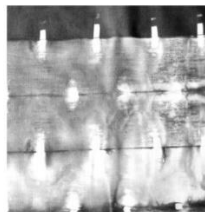

Stoff um ein Plastikrohr wickeln, mehrfach abbinden. Dann Stoff auf dem Rohr zusammenschieben und mit verschiedenen Farben besprühen.

**Kleine Rechtecke:**

Stoff wie eine Ziehharmonika falten. Mehrere Wäscheklammern anbringen und einfarbig besprühen.

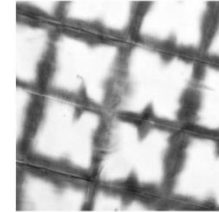

EN

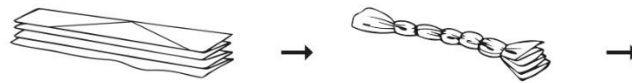

**Accordion fold with blocks:**

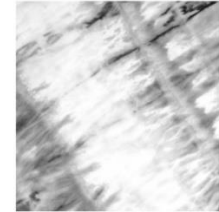

Fold the fabric like an accordion, i.e. fold it in one direction first and then the other. Take the folded fabric and place it between two square-shaped solid objects (e.g. wood, firm cardboard), tie it in place and spray using a single colour.

**Accordion fold with rubber bands:**

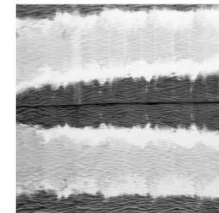

Lay out the fabric diagonally, fold using the accordion technique, tie in place several times and spray with different colours.

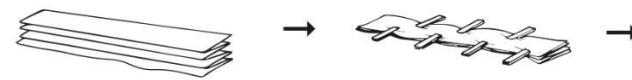

**Fortuny pleating:**

Wrap the fabric around a piece of plastic tubing. Fix in several places. Next, push the fabric together on the tube and spray using different colours.

**Small rectangles:**

Fold the fabric like an accordion. Attach several clothes pins and spray using a single colour.
